Welcome Message

Dear esteemed parents/guardians, and pupils
On behalf of the management and staff of the University of Lagos Women's Society Nursery and Primary School, I warmly welcome you all to the start of a brand-new academic session.

To our returning parents and pupils, we are delighted to see you again. Thank you for your continued trust and partnership in the growth and education of our children. Your support is the foundation upon which we continue to build a thriving learning community. To our new pupils and their parents, we extend a very special welcome. We are excited that you have joined our school family, and we assure you that you are now part of a nurturing environment where every child is valued, guided, and encouraged to excel both in academics and character.

This session, we remain committed to providing a safe, engaging, and inspiring learning atmosphere. Together with your cooperation, we are confident that our children will achieve new milestones, discover their potential, and develop the values that will shape their future.

As we begin this journey together, let us keep in mind that education is a partnership between home and school. With your continued involvement, encouragement, and collaboration, we look forward to a successful and fulfilling school year for all. Once again welcome back, and welcome on board to our new family. May this academic session bring growth, joy, and remarkable achievements for our children. Amen!
